## Dedication

The Arcus Staff is proud to dedicate the 1966 Arcus to the memory of Mr. John Hauser. The entire school and the community have suffered a great loss in the passing of Mr. Hauser. He was a true friend and a leader to those who knew him. The inspiration he gave us will live in our hearts forever.

# SENIORS

These have been the trial and error years--the formative years. Personalities have been molded, ideas conceived, failures overcome and future foundations laid. Time can fly with uncanny swiftness or grind with boring monotony. Twelve years seems like a long time--until it passes. It seems only yesterday that we entered first grade, and now we are leaving forever. Lacy McCarty said "To me, graduation means the coming of a challenge of life." Edna Bierma "A successful future and a chance of getting places in life." Linda Mosher "Getting out on my own."

Our 1966 graduating class of 56 members filled roles of athletes, officers of clubs, artists, held jobs after school, attended activities. We were called a "different" class. We had an interesting and exciting year.

## Class Poem

The 1966 class is a scholarly one  
It works until the task is done  
A carefree class who is very gay  
Surely, the teachers will remember it this way!

Miss Brown, our sponsor is really keen  
Because she is patient and understanding  
She proved to be a very great leader  
To our senior class who really needed her.

First of all is a bashful guy  
Although he's friendly, he is shy  
Warren Barker is his name  
To be a farmer is his aim.

Nick Becker is a guy to know  
A witty character he does show  
He's usually found fixing a car  
This is a guy who will go far.

Jolly Doug Bierma is a guy in our class  
He wins a smile from every lass  
He is known for his cheery way  
He will be remembered for many a day.

Edna Bierma, a good-hearted soul  
To be a secretary is her goal  
She takes it well when she is teased  
For being our classmate, we are pleased.

Calvin Bolen is this guy's name  
In our sophomore year he came  
A guy who's friendly, yet shy and serene  
He's our kind of boy who's really keen.

Charlotte Castle who gets around  
No one knows just where she's bound  
She has a happy unusual way  
This will be remembered for many a day.

Janice Conley who's shy to some  
Just get her going and she's lots of fun  
She's very pleasant to be around  
We're glad she is a friend we found.

Wayman Grim is a guy to know  
His pleasant character he does show  
With his favorite words "that's true"  
In his presence, you're never blue.

Bill Dase who seems shy and coy  
Will be remembered as this type of boy  
A cheerful classmate we all know  
You'll find he never has a foe.

Here is a guy by the name of Jon Glover  
To many a girl, he's quite a lover  
With curly hair and eyes that shine  
He is the reason why many girls pine.

Sandy Goetz came in our senior year  
To all of us she's very dear  
A sense of humor and sunny smile  
We will remember her for quite a while.

This is the guy we all call Bob  
Who always does a good track job  
Gourley has a nice and quiet way  
In everything that he may say.

A girl by the nickname of "bird"  
Diane Halien is always heard  
She is always quick to stress her view  
And she is very helpful, too.

The president of our senior class  
Mary Hendrix is the lass  
To be a housewife is her goal  
We're sure she'll fit the role.

Janet Hoehn, a friend to all  
She has brown hair and is rather tall  
As cheerleader, she's on the beam  
She really has boosted our team.

Next in our class is a guy named Jim  
And we are glad we acquired him  
A very good nature he does possess  
He will surely be a success.

Bruce Irvine, a very studious guy  
Is sometimes found to be a little shy  
His ability to have fun is hard to measure  
He certainly gives us a lot of pleasure.

This is a boy named Nick  
He is a person we would pick  
To be a sweet and courteous lad  
Jordan is really a friend to be had.

Phyllis Kendall, a very determined one  
Should succeed at anything done  
To be a folksinger is her aim  
Such a career, she'll be proud to claim.

Mike Kosta's a guy we all know  
He never drives his car slow  
But you will never find him late  
He is a guy we appreciate.

Now here's a girl named Carolyn Lapinski  
Her bashfulness is very plain to see  
She is very helpful & kind to everyone  
And she can be a lot of fun.

Dale Marlatt is rather tall  
He's a friend of them all  
With light brown hair and big eyes  
He should succeed at whatever he tries.

Belinda Martin known as "Sue"  
There isn't much she cannot do  
She has a smile and cute laughter  
We won't forget her for a long time after.

Lacy McGarty is the sort of guy  
To whom many girls give the eye  
He's athletic and friendly, too  
There isn't much he will not do.

Jerry Meeks, "Hasco" to some  
Is as friendly as they come  
A real leader in F.F.A.  
He's very dependable, they say.

A girl in our class who's very petite  
Phyllis Miller is one who is neat  
We like her fine and gentle ways  
She will be remembered for many days.

About Linda Mosher we shall report  
Here is a girl called "Lyn" for short  
With a dimpled smile and eyes that shine  
We all think she is rather fine.

Murcek is a guy called Jack  
In manners he does not lack  
He can be so sweet and frank  
In this class he does rank.

Shirley Myers, one of our classmates  
She is a girl that really rates  
She is a sweet and friendly lass  
We are glad to have her in our class.

Barbara Niemiec is the next one  
She seems to be a lot of fun  
To be a secretary is her desire  
This position she'll soon acquire.

Larry Norwick or otherwise "Snort"  
He is a friendly guy, in short  
Looking for a lot of fun  
Yes, it seems Snort is the one.

Here is a girl known to all of us  
This sweet girl's name is Barbara Nuss  
Forever laughing it always seems  
She has a smile that really beams.

Next in line is Paul  
As "Chunky" he is known to all  
Those that know him say  
Oliver has a quiet way.

Ken Perkins, a guy most likely to succeed  
He is a classmate we really need  
His cheery eyes and sly grin  
Many friends cause him to win.

A soft-spoken girl is Betty  
But for a favor, she's always ready  
A real helpful friend  
Betty Peterson works 'til the end.

Green Risner is this lad's name  
Playing basketball is his fame  
Handsome, though shy, as some may say  
He is friendly in his own little way.

Ruth Salyer is also very petite  
She's a girl we all think is sweet  
She never has very much to say  
But she makes us all happy and gay.

Now here is a guy called "Shep"  
He certainly has a lot of pep  
Roy Shepherd happens to be the guy  
He is a person we can't pass by.

The Stepps are two girls who look the same  
Deciding who's who is quite a game  
The close friends they have really know  
But to some strangers, it isn't so.  
Though they are different in personality  
Nice is how you find them to be  
Karen and Carolyn can't be beat  
They are twins that you should meet.

Now we present our Homecoming queen  
Carol Stonebraker is really keen  
A small, fine girl who is sweet  
She is a girl everyone should meet.

Gary Summa, a quiet lad  
A person who is seldom bad  
Those who don't know him, think he's shy  
But those who know him think he's a real neat guy.

Here is a guy named Terry  
A chap who is always merry  
Yes, everyone likes Tanner's style  
We won't forget his glowing smile.

Martha Thomas, a girl who likes to debate  
She's a person who we really rate  
A casual smile and natural look  
She's a girl that any guy would love to Hook.

Rick Thomas, a guy who's never a bore  
He is a person who we all are for  
There is something one can tell  
We like this boy very well.

A guy who is lanky and tall  
Rich Tillema is known to us all  
A person who's unselfish and true  
A favor he will always do.

Sue Tillema is known to all  
She is a girl who is on the ball  
Busily working in everything  
Easy success she does bring.

Harry Tysen, a real go-getter  
As a friend, he couldn't be better  
He's been musical since the day he was born  
You should hear him play a horn.

Branko Vukadinovich, a real sweet guy  
A person who is never shy  
He is a regular class clown  
Who will erase anyone's frown.

This guy's name is Lewis Walker  
He is always friendly and sweet  
Which makes him very neat.

Bufferd Wireman, a quiet lad  
Hardly ever does get mad  
A person who is very sincere  
We are glad to have him here.

Here is a girl who's a lot of fun  
Yes, Donna Wireman is the one.  
Her sense of humor can't be beat  
We really think she's very sweet.

Another Wireman is next in line  
Larry really is very fine.  
He can be so sweet and sincere  
We are glad to have him this year.

Mike Wireman is this guy's name  
Everyday you'll find him the same  
Bashful but friendly too  
You'll always find him very true.

Terry Wireman's a guy we can't do without  
When he tells you something, there is no doubt  
He's as honest as any person can be  
For this good trait is easy to see.

Jerry Woods, "Woody" to a lot  
A good sense of humor, he has got  
With a swinging car of his own  
You'll never find this guy alone.

Now we're at the end of our list  
Ted Woolever is the guy who can't be missed  
Once you know him you will find  
That he's friendly and has a sharp mind.

In this poem we have expressed  
A tribute to each senior blessed  
Good luck, good cheer, and happiness  
We will miss dear old W.H.S.

# SPORTS

Sports contribute to the physical development of the individual. Green Risner stated in his Valedictory "Sports of football and basketball, teach you the rules of the Game of Life." Football and its bruises and tackles teaches that cooperation is needed to get that touchdown; Basketball has fast action and quick-thinking; Cross-Country develops stamina and endurance; Track is individual with determination and speed as aids. Freezing at those football games, melting at basketball games, yelling, screaming at track meets--are all a part of the "Merry-Go-Round" of sports. To win with modesty and lose with dignity were the ideals we lived up to. Honor jackets are the rewards of countless hours of sweat, blood, toil and devotion. We lived up to the motto "Good sports make sports good" which Lana Meyers suggested at Sectional.

# ACTIVITIES

Clubs and Activities are important to the total social development of the individual student. They are an integral part of the National Honor Society. The Sunshine Society with its motto of "others" has many developmental ideals. It also has a Christmas Dance, Daddy Date Night, Ideal Ladies Tea, serves to the football team and gives gifts to the faculty.

Pep Club backs the sports teams by cheering and pep-sessions, dances and the Sectional display.

FFA trains boys in leadership and they hold a Banquet in the spring. Ruth Hoffman was FFA Sweetheart.

Student Council assists in the school programs and sponsors "TWIRP WEEK."

Members sold candy in the booth in the school basement as a money-making project. Members are chosen on the basis of scholarship, leadership, character and service. A committee of three teachers -- Miss Brown, Mrs. Kosta and Mr. Helms check for qualities after the B-average in scholarship has been determined. Two extra-curricular activities were required in the past, but the members voted to reduce this to one so that more students would be eligible. On April 14 induction of 21 new members took place before the entire school with an impressive candle-light ceremony. Yellow roses were given each and a pin and membership card. Initiated were: Mary Bierma, Brian Capouch, Douglas Grim, Clarence Duttlinger, Morton Harrington III, Rachel Jamison, Roger McCarty, Gay Perkins, Archie Risner, Bonnie Stalbaum, Marvin Van Kley, Shirley Anselm, David Gulbransen, Samantha Lawyer, Steve Leek, Sue Melcher, Frank Stalbaum, Nick Stayrook, Nick Becker, Sandra Goetz, Kenneth Perkins. # UNDERCLASSMEN

Underclassmen were our understudies and looked up to us as good examples. The Juniors received their lovely class rings, sold candy and pop at ball games, gave the Junior Play "TOM JONES" and had the prom off-campus for the first time, at St. Joe College. Mr. Larry Rees was class sponsor. Ruth Hoffman was FFA Sweetheart, Rhonda Green, LaVonne Martin - Homecoming and Samantha Lawyer - Heart Attendant. The thrill of sophomores was arrival of the maroon and white sweaters and blazers. Diane Parker was Heart and Crystal Myers Homecoming Attendant. Freshmen had class parties, Miss Carolyn Misch was crowned Heart Queen and Kristie Abbring was Homecoming Attendant. We contributed \$700 to the Heart Fund. Junior High had their own ball club and cheerleaders. Elementary contributed to the Echo newspaper and sixth grade visited the Chicago Museum.

# ADMINISTRATION

"A teacher affects Eternity--there is no measurement of where the influence begins or stops." The staff at Wheatfield High epitomize a cooperative and helpful spirit. They spend time on preparation for classes, sponsor class dances and parties, clubs and trips. Advice, guidance, study hall, tickets at games are all a part of their work.

The school cooks spend many hours preparing hot and nutritious meals in the new cafeteria.

Bus drivers at WHS have fine discipline which is felt in the classroom as the students are settled down upon arrival at school. They are careful drivers.

The Secretary prepares the bulletin, works on the school records and attendance along with other duties.

Omer, Myrtle and Warren keep the school clean.

## Homecoming Parade Stimulates School Spirit

Roy Wireman disguised as a feminine beauty "DeMOTTE DARLING" parades in this forlorn vehicle preceeding the WHS-DeMotte game.

View of junk car Nick Becker drove in the Homecoming Parade.

Queen candidates enter red and white cars, band steps out--fun! Fun.

A parade through town, a rousing pep-session, crowning of the queen at half-time, and a Sock-Hop with a good band and the Sunshine Society serving cookies and cocoa to the football players are all a part of the final game. Three girls added color to the parade by riding horses; Linda Jefferson, Diane Parker and Marlene Benoit. They relax on the football field before going home.

# Homecoming — "The Girl Of My Dreams"

Queen Carol Stonebraker sparks the parade in the Sting Ray Corvette of Mike Kosta. Her escort is Bob Gourley, senior track star.

Bob escorts Carol to platform for crown and roses. Drum Major Harry Tysen leads "Sweetheart of Sigma Chi" with band.

The thrilling moment as Mr. George Miller crowns the 1965 Football Homecoming Queen and presents her a bouquet of red roses. Crystal Myers, Sophomore candidate, looks on!

Blonde Kristie Abbring, Freshman candidate, is escorted by Bob Steele--nice looking couple.

Lovely LaVonne Martin, Junior candidate, would have to look the other way! Steve Deardorf escorts her carefully into the car.

## Night Of Nights- - The Prom At St. Joe College!

Mr. Larry Rees, Junior class sponsor, and his wife, Sonja, helped make the prom a big success.

Prom King, Calvin Bolin, poses with steady, Diane Hallen.

Prom Queen Janet Hoehn was very popular. She was class Salutatorian and cheerleader.

The seniors chose class officers for the last time in September '65; President - Mary Hendrix, Vice-President - Rich Tillema, Secretary - Janet Hoehn, Treasurer - Green Risner. Miss Kathryn Brown was sponsor, organized committees and we paid dues. Royal blue cap and gowns were chosen. We sold Arcus ads in September. Baumer of Kentland took our senior pictures and delivered them December 16. Carol Stonebraker reigned as Homecoming Queen. On November 5, we presented the Senior Play "GOOD NIGHT LADIES." Herman Walden was the director. January 18, our name cards and graduation announcements arrived. It was fun giving out cards. February 24-25 we won our first game at the North White Sectional but lost the second, and the title we had, went to Frontier. March brought the arrival of our Senior Keys and lockets. Diane Halien was runner-up in the Heart Queen Contest. Seniors went "all out" for the Student Council TWIRP WEEK in all the glory of SLOPPY DAY, SWEATSHIRT DAY and DRESS-UP DAY. It was a scream! The athletes received awards at the Athletic Banquet. Janet Hoehn and Sue Tillema got beautiful blankets for cheerleading. Mr. Sadler gave tests and had college literature sent to us. May 7, the Prom was off-campus for the first time. It was at St. Joe College and Calvin Bolen was chosen King and Janet Hoehn was Queen. May was our final month of formal class work. On May 13, our Senior Class program was presented before the school.

The Senior Band played and the boys' and girls' chorus sang. Teachers gave awards and we received scholarships. Janet Hoehn gave the Salutatory address and Green Risner gave the Valedictory. We dedicated our Arcus to the memory of Mr. Jack Hauser and our Class Gift was a donation of \$150.00 to be used for outdoor bleachers. On May 12, the P.T.A. honored us at a lovely Senior Tea. The Wheatfield Alumni invited us to their dinner and dance on May 14. We were very nervous when May 15 arrived and we had to march into the gym for Baccalaureate. Commencement was May 16, and we found ourselves among flash pictures, movie cameras, gifts, diplomas, graduation parties--it made us all feel like movie stars. As we look back over the four years of high school, with its thoughts of classes, friendships, sports, dances, school activities, we find many fond and valuable memories and Wheatfield High School will always hold a special place in our hearts.

# ADVERTISING

Advertising is the major source of income for the Arcus along with the sale of the yearbooks and a few sock-hops. Lacy McCarty was our Business-Manager and 146 books were sold. Roy Shepherd was top salesman and for selling over 50 copies, receives a free one. Ads ranged from \$3.00 to \$20.00 depending on the size. Arcus ads are a good investment because they are not discarded but looked over and over from year to year. We wish to express thanks to all who purchased ads and donated to our Booster page. Many expressed their congratulations to the class of '66. Special thanks to Arcus photographers: Mike Kosta, Richard Tillema, Larry Norwick, Betty Peterson, Ruth Salyer, Barb Nuss. Layout - Sandy Goetz, Diane Halien, Lacy McCarty, Mary Hendrix, Barb Neimic, Doug Bierma. To Edna Bierma and Carolyn Lapinski for reconstructing the ads and all others who helped we are indebted and say Thank You.
